

Regeneron Hires Sally A. Paull as Senior Vice President, Human Resources

Tarrytown, New York (April 13, 2016) – Regeneron Pharmaceuticals, Inc. (NASDAQ: **REGN**) today announced that Sally A. Paull has joined the company as Senior Vice President, Human Resources. Ms. Paull has more than 20 years in Human Resources executive leadership roles at biopharmaceutical and healthcare companies, most recently at Inova Health System and Forest Laboratories.

“Sally has the talent and expertise we need to maintain and evolve our unique culture during a time of continued growth,” said Leonard Schleifer, M.D., Ph.D., President and Chief Executive Officer of Regeneron. “She will play a critical role in ensuring we scale the organization in the right way to ensure we stay true to our science-driven business.”

At Inova, Ms. Paull built and led human resources programs as Executive Vice President and Chief Human Resources Officer. Prior to that, she served as Senior Vice President and Chief Human Resources Officer at Forest Laboratories. Earlier in her career, she worked in progressively senior human resources roles at Dentsply International.

Ms. Paull received her bachelor’s degree from the United States Air Force Academy and a Master of International Relations from the University of Delaware. Following more than 20 years on active duty and in the U.S. Air Force Reserve, she retired having achieved the rank of Lieutenant Colonel.
